AIM ON WASHINGTON

Sunday School Workers Are Coming in June.

LAST CONVENTION IN ROME

Scope Has Been Widened and Representation Broadened Since 1907, and Next Gathering Will Set a New Schedule for Universal Religious Endeavor.

Sunday school workers from every quarter of the world will gather in Washington May 19 for a five-day convention. Provincial secretaries will head the delegations, and about 2,000 will attend, Canada, Mexico, the West Indies, Hawaii, and all of the countries of Europe, Asia, and Africa, where religion extends, being represented.

Rev. Dr. Donald C. McLeod is chairman of the committee on entertainment, and is conducting the arrangements at his residence, 1319 Q street. The convention sermon will be delivered by the president of the World's Sunday School Association, and this will be followed by a reception to the delegates given by Mr. and Mrs. E. K. Warren.

Hundreds Are to Speak. Several months have been spent by the executive committee in planning the programme, a tedious part of which is the choosing of men and women to respond for each country. It is estimated that during the five days several hundred speeches will be made on the work and progress of primary religion. "Influence of Sunday schools upon the world" is the general theme of the convention. Besides the Sunday school workers a great many auxiliary societies will be represented, and numerous side conventions will be held.

A welcome service is to be given on the first day in Convention Hall, which has a seating capacity of 5,000. President Taft will be invited to speak a welcome for the nation. John Wanamaker has agreed to represent the Christian business men of this country. One of the District Commissioners or some other prominent Washington man will make an address of welcome.

At the roll call of nations, on the second day, each country's delegate will take a position on the platform, and the flag of his country will be displayed. At the close of the convention these flags will be grouped under the conquest flag, surmounted by a illuminated cross.

Delegates to Have Diversion. The third day of the convention will be devoted to recreation and sight-seeing, and in the evening the "Pilgrims" or delegates to former world conventions will hold a reunion. May 22 will be World's Sunday School Day, and the order of the universal service will be adopted by the Sunday schools of Washington. Printed programmes will be used in every church.

A Sunday school missionary exposition, under the direction of the R. E. Diffendorfer, of the Young People's Missionary movement, and Dr. C. R. Blackall will be held. Great Britain will be represented by Sir Francis Plint Bole; Japan, by the Rev. Theo. T. MacNair, secretary of the National Japanese Sunday School Association; China, by Rev. Frederick Bulgaria; Russia, by the Rev. G. A. Simons; Bulgaria, by the Rev. Theodore T. Holway; Turkey, by the Rev. J. P. McNaughton; India, by a native official; Algeria, by Rev. Jean Paul Cook; Arabia, by the Rev. S. M. Swemer; Bohemia, by the Rev. L. E. Merck Marek; New Zealand, by the Rev. J. A. McKenzie, and other countries by leaders of prominence.

The first convention of the World's Sunday School Association was held in London in 1889, and others in St. Louis in 1893; London, 1898; Jerusalem, 1904; Rome, 1907. This will be the sixth, and Rev. Dr. MacLeod says it is expected to be six times larger than any of the former ones.

The delegates have been divided into four classes, and will be designated by buttons and ribbons.

To-morrow's Valentine's Day. Send flowers. They're the most appropriate. Choice specimens at Gude's, 1214 F.

READS PAPER ON VOLCANOS.

Mrs. Foster Enlightens Members of Excelsior Literary Club.

The Excelsior Literary Club held its regular meeting at the residence of Mrs. Hawks Tuesday, Mrs. Page presiding.

Mrs. Foster read a paper on the volcanic origin of the West Indies, and in her remarks referred to volcanoes in other parts of the world, including the description of an active volcano in Ecuador.

Mrs. Pepper, who has traveled the world over, gave a talk on the resources of the West Indies, and she described a trip from Barbados to Trinidad, with its lake of pitch, thence to British Guiana, and from there to St. Lucia. She gave an interesting and picturesque account of the marble quarries, the timber lands, and told of the fruits, spices, and many other of the resources in which the West Indies are fertile.

The next meeting of the club will be Tuesday, February 15, with Mrs. Emerson, 32 T street northwest.

PATRIOTIC TO RALLY

Taft Will Address Meeting for Washington Memorial.

JUSTICE HARLAN TO PRESIDE

Campaign to Raise Fund for Erection of Monumental Structure Will Receive Formal Impetus Next Saturday—Musical Programme to Be Feature—Buttons to Be Sold.

At a patriotic mass meeting of public and private educational institutions of the District next Saturday at 3:30 o'clock in the Memorial Continental Hall, Justice John M. Harlan, of the United States Supreme Court, will preside, and the speakers of the afternoon will be President Taft, Senators Lodge and Burton, and Mrs. Henry F. Dimock, the president of the George Washington Memorial Association.

Patriotic music will be furnished by a section of the Marine band, and Percy S. Foster will lead the singing of the patriotic hymns. The audience will be composed of the young women and men attending the private schools of Washington, students of the Washington Normal School, and delegations from the city high schools.

This meeting is to be under the auspices of the building committee of the educational institutions, co-operating with the George Washington Memorial Association, of which Mrs. Ellen Spencer Mussey is the chairman. Mrs. Mussey and her enthusiastic committee have worked untiringly. No effort has been spared to arouse interest and enthusiasm.

Twelve Years of Activity.

The George Washington Memorial Association has been in existence since September, 1898, and was organized for the purpose of erecting a building to be known as the George Washington Memorial Building.

The building is to be practical in plan and construction, and of the most durable character. It is to be so planned that it will furnish a home and gathering place for all national, patriotic, scientific, educational, literary, art, medical, and similar organizations that may need such accommodations.

The association proposes to raise, mainly by popular subscription, \$2,000,000 for the building and an additional \$500,000 as an endowment for maintenance in order that conventions and societies can use the building without charge. To make the work a monument in the hearts of the people it is proposed to begin with the children. The board of education has heartily endorsed the movement and has given permission to introduce the project to the public school children of Washington. Dr. Arthur Ramsay, of Fairmont Seminary, as chairman of the subcommittee on private schools, has charge of the movement in those institutions.

Buttons to Be Sold.

There have been prepared for sale most attractive buttons, bearing a medallion head of George Washington, those in blue costing 10 cents and those in gold \$1. The purchasers of the blue buttons will own a brick in the building, while a gold button entitles the owner to a certificate and also the privilege of having his name inscribed in the permanent records. The patriotic celebrations in the schools this year, in commemoration of George Washington's birthday, will place special emphasis upon the button project.

Following are the men and women working for the cause: Mrs. Mussey, chairman; Mrs. Charles D. Walcott, vice chairman; Mrs. Thomas H. Carter, Mrs. Adella Gates Hensley, Mrs. William H. Hoeke, Mrs. Barbour Walker, Judge William H. De Lacy, Dr. Arthur Ramsay, Dr. Thomas W. Shively, Mr. Louis L. Hooper, Mr. W. V. Cox, Dr. William V. Tunnell, Mr. A. T. Stuart, Mr. Percy M. Hughes, and Mr. Roscoe C. Bruce.

Mrs. Henry F. Dimock, of New York, the sister of the late Secretary Whitney, is president of the Memorial Association, and has as her advisory council Hon. Elihu Root, Dr. S. Wier Mitchell, Dr. William Welch, Gen. Horace Porter, Dr. Charles D. Walcott, Dr. Edwin Alderman, Prof. Alex. Agassiz, Dr. Ira Remsen, Prof. H. Fairfield, Dr. Charles V. Dabney, Mr. Charles J. Bell, Dr. John A. Wyeth, and Dr. Thomas Nelson Page.

Busy Day for "White Wings."

SALOON BILL OPPOSED

Commissioners See No Need of District Changes.

REPORT ON BENNET MEASURE

Plan of Changing Closing Hours to 10 p. m. and Selecting New Excise Board Given a Blow in Letter to the House Committee Just Issued. Personnel of Excise Board.

The Commissioners have reported adversely on Representative Bennett's liquor regulation bill, which provides for the closing of saloons at 10 o'clock in the evening and a change in the composition of the excise board. The Commissioners favor a law to prevent imitation hotels and clubs from procuring licenses and to prevent indiscriminate "rushings" the can."

Personnel of Excise Board.

At present the excise board is composed of a chairman ex officio, who is the assessor of the District, and three of the five members of the board of assistant assessors, which is appointed by the Commissioners. The members are selected by the assessor. The board, as proposed by the bill, would be composed of the judge of the Juvenile Court, the health officer, and one of the inspectors of police, who shall be designated by the Commissioners.

The bill would require applicants for liquor licenses to get the permission of a majority of residents and property owners in their location and the five nearest other squares. Only the permission of those in the square in which the barroom is to be located and those living on the opposite side of the street confronting the square is now necessary. The hours of closing now required are from 12 p. m. until 4 a. m. The bill would make them from 10 p. m. until 7 a. m. No liquor could be sold on legal holidays.

See No Need of Changes.

In their letter to the House Committee the Commissioners say:

"The Board of Commissioners cannot approve the provisions of this bill for the reason that it deems the changes proposed in the composition of the excise board most undesirable, and does not think it necessary to enlarge the zones of prohibition as proposed. The Board of Commissioners would favor a stronger measure to prevent imitation clubs and hotels obtaining licenses, and to regulate the so-called 'growler' traffic so that only adults might purchase beer in common receptacles. The existing law seems to cover all other features satisfactorily."

SHORT STORY CLUB IN SESSION.

Programme of Varied Subjects Presented in Pleasant Style.

The Short Story Club met at 923 Sixth street recently. President L. H. Wilder was in the chair, and Mrs. Mary A. Agnew in charge of an excellent programme. The opening number was an instrumental selection from "Don Juan," by Mrs. L. H. Wilder. The principal story was by Mrs. Virginia King Frye, "The cloud and its silver lining," a strong and wholesome tale. Mrs. William D. MacKenzie's witty sketch, "Any Old Thing," was much enjoyed.

Prof. Hyland C. Kirk, in place of his essay, read four pleasing original poems, "Old-fashioned Bonnets," "The Only One," "The Tree Fall," and "First Principles." Mrs. Houghton's "The Golden Bird," a fairy story for children in rhyme, was a gem. Miss Emma Brooke McGregor gave some impersonations, that of Roosevelt being especially good. Mrs. Eula Hayes' artistic rendering of "Laska" and "The Frenchman's Account of the Fall in the Garden of Eden" was appreciated.

Prof. Wilder distinguished himself as a solo singer, receiving applause in the singing of "The William C. Taylor" and "In the Deep" to the piano accompaniment of Mrs. Wilder.

Under the direction of Sir Richard P. Evans, a musical and literary entertainment was given, consisting of the following numbers:

Orchestral selections, directed by Sir J. Harry Glick, who also gave a violin solo; recitations by Peyton B. Fletcher and Arthur B. White; soprano solos by Miss Anita Dieterich, who was accompanied by Miss Olive Demarest. Miss Dieterich was in exceptionally fine voice, which, together with her charming manner, called forth numerous encores. Baby Smithson, Master Emory Bonill, and Selma Sellinger gave songs and dances. A baritone solo by Charles Bright and a cornet solo by William C. Taylor were features. A humorous address by Past Grand Commander Sir Alexander MacKenzie closed the programme. The guests were ushered into the main hall, where refreshments were served and dancing enjoyed. Sir William M. Heinline was in charge.
